ABOUT THE AUTHOR

Suzan Carroll is a sought-after psychotherapist and a life-long student of metaphysics and world religions. Suzan holds a PhD in Clinical Psychology, an MA in Audiology, and a BA in Speech Pathology. As a licensed Marriage and Family Therapist and a Certified Hypnotherapist, she has been counseling in private practice for more than twenty four years. She has a love of nature, and through her expanded perceptions, she experiences the LIFE in ALL of Earth's creatures.

The yearning to learn more about personal and planetary transformation started when Suzan was a graduate student studying for her PhD in the early 1980s. She began the documentation of this quest in 1999 on her website, Multidimensions.com, which offers an in-depth look at multidimensional consciousness and the journey of awakening to our Multidimensional SELF. Through sharing her theories and experiences in cyberspace via her website and monthly newsletter, Multidimensional News, Suzan has communicated with many other seekers such as herself from all over the world.

Suzan has authored several books on multidimensional consciousness, *The Thirty Veils of Illusion*, *Visions from Venus*, *Reconstructing Reality and Seven Steps to Soul*, *A Poetic Journey of Spiritual Awakening*, and two illustrated short stories, "A Child's Adventure in Faerie" and "What Did You Learn?" She also offers free audio versions of many of the meditations presented in this book through her website, Multidimensions.com.

Suzan lives near the beach in Southern California with her husband and five birds. She enjoys traveling, reading, writing, drawing, meditating, gardening, walking on the beach, and spending time with her two adult children, their spouses, and seven grandchildren.
